This is the approximate schedule and itinerary for the Faceting Academy. This schedule is only an outline of class flow and topics covered. Actual dates and times of particular segments will be adjusted according to students' needs and other factors.

**NOTE: On the last day, training will be active and ongoing until at least 4:00pm. Clean-up and packing does not begin until graduation is complete. To avoid disruption of last-day training and graduation, we do not permit early pack-up or departure. Please plan your travel arrangements accordingly.**
